## **JOnAS 4.8.3 RC available**

A Release Candidate version of JOnAS 4.8.3 is available for download:

[http://forge.objectweb.org/project/showfiles.php?group\\_id=5&release\\_id=1766](http://forge.objectweb.org/project/showfiles.php?group_id=5&release_id=1766)

It mainly fixes some bugs existing on 4.8.2:

306277 306287 306288 306291 306297 306304 306313 306322 306328

Some improvements have been done on jonasAdmin and clustering too.

Please, feel free to try this version and to give your feedback on JOnAS mailing list.
